# Welcome to DSP Help.

## What do you need help with?

**Understanding the Disability Support Pension**

**Getting the right medical evidence**

© Showing you are medically eligible is the most important part of your application

**Medical Evidence Bot**

**Applying for the Disability Support Pension**

**dsphelp.org.au**

**DSP Help is a free resource to help people understand the Disability Support Pension and make better applications and appeals.**

Getting the DSP can be challenging, and often depends on the quality of supporting medical evidence.

DSP Help can help you understand:

- > What you need to show to get the DSP.
- > The required medical evidence, and what your doctors can do to help your application.
- > The DSP application process.
- > What to do if your application is rejected.

The DSP Help Legal Service may also be able to help with your DSP application or appeal.
